

Public Informational Meeting for Town of Newton

Please attend our public informational meeting to discuss amending the *Town of Newton Year 2040 Comprehensive Plan*. The 20-year plan includes information on trends and future needs regarding housing, town services, farmland preservation, land use, transportation, economic development and more.

The Town Planning Commission has been discussing potential changes to residential lot sizes and **seeks your input**.

A presentation will be provided with details.

Public comment to follow.

When: Monday, January 8, 2024

Time: 6:00 pm

Where: Newton Town Hall, 6532 Carstens Lake Road

Why: The future of the Town is important

A copy of the current Comprehensive Plan is available for review on the Town's web site: townofnewton.org. under the Town Government tab.
