Chairperson's Report for the Town of Newton

Town of Newton Residents:

I would like to thank all town residents for your support over the past year. The Town Board has been working very hard for your township.

Over the past year we have accomplished a few big projects and purchases. As for roadways, we did an overlay on Gass Lake Road between County Roads CR and U, which was a huge improvement to the safety of the road. We also did the annual crack filling, as well as seal coating on our town roads which we feel will help extend the life of those roads. We are in the process of applying for a grant and hopefully securing an ARIP grant for Center Road between Carstens Lake Road and Clover Road. This is a 90%/10% shared grant for funding and this project has an estimated cost of \$1.1 million dollars. These grants are a new way for future funding from the state. These applications are a lot of work, but with the help of our town residents, Town Board, Fire Department and First Responders, Road Superintendent, Engineering Firms, and others we are hoping to secure more project funding as it becomes available to our township. This will save our town residents from having to take on an entire road project in full.

The township purchased a new Ford ¾ ton pick up truck this year as well as took delivery of the new fire truck. Both vehicles are available for you to look at during the annual meeting.

I would like to take a moment to thank anyone and everyone who makes this township the best one in the state. I do not want to miss anyone, but please know I am forever grateful for all your help. This is not a one person's township; it takes all of you. Thank you to all the Fire Department and First Responders for all you do to keep our community safe. Thank you to the Town Board, and all our employees of the town, the Plan Commission and Board of Appeals. Every one of you is making a positive impact on the Town of Newton.

We have a lot of work to do in this next year and please know that this Town Board will work together to keep this township the best in the state.

Sincerely,

Denise Thomas

Supervisor 1 Report for the Town of Newton

Newton Recycling Center Report.

Some keys to remember: The Newton recycling center is for Newton and Centerville residents only. We are finding that we may have non-Newton/Centerville residents using our facility. The cost to taxpayers is significant in running our recycling center. We are looking for suggestions on how we can do a better job of insuring that only Newton/Centerville residents are using our facility. Some other towns use a vehicle sticker as identification when using the facility. There are pros and cons to that idea but right now we are just brainstorming. If you have any ideas, please feel free to pass them on to the attendants or call me at 920-323-2577.

Thanks, Kevin Behnke

Supervisor 2 Report for the Town of Newton

Report from Newton Town Supervisor #2

- 1) The town has been working with the fire department on its need for more space. Keller has been working with the fire department committee and has outlined the unique needs of our fire dept. and will now start working on a plan to solve the existing situation, along with looking at future needs and concerns.
- 2) I have looked into the internet service we have in our community. Unfortunately, a lot of our community has poor service, some have none. There is a big push in the country to get service to everyone, with priority going to regions of the country with no service, and then areas in states with no or limited service. This is an ever-changing dynamic, but there is federal money available per certain requirements, with the balance of necessary funding coming from the community that needs the service. I believe Newton being on the I-43 corridor would benefit from an internet service improvement, but it is still too early to see how we could achieve the end goal at a viable cost.
- 3) The Town Board has submitted a request to the Manitowoc Co. Highway Dept. to take a look at the intersection of County Trunk 'C' and 'CR'. There have been numerous accidents, and way too many close calls. Hopefully they'll come up with a good solution.
- 4) Lastly, the rebuilding of Orchard Lane should be starting soon. The first phase starts at 26th Street and goes west to the railroad tracks. In the next 2-3 years the second phase of the project will continue from the railroad tracks to the west property line of the City's property. This rebuilding is necessary due to the heavy truck traffic that this section of road incurs. This project is totally funded by the City of Manitowoc, with the Town of Newton retaining ownership.

Respectfully submitted,
Town Supervisor #2
Kelly Christiansen

Treasurer's Report for the Town of Newton

I would just like to say Thank you all for your continued support throughout the year. If there are any questions that you may have pertaining to their land or taxes. Please feel free to contact me at 920-758-2720. Thanks again.

Paulette Vogt, Treasurer

USEFUL INFORMATION:

NEWTON YOUTH SPORTS: All information regarding youth baseball & softball can be found at newtonyouthsports@weebly.com or emailing : newtonyouthsports@gmail.com. You can also find them on Facebook and receive updates and information. Any further questions please contact Casey Hochkammer, Newton Youth Sports President @ (920)374-0108.

TOWN HALL RENTAL: For your special event the Newton Town Hall is available for rental to citizens of the Town of Newton for \$50. Please call Dave Mueller, Road Supervisor at (920) 323-9675 to reserve the hall for your special day.

ZONING AND BUILDING INFORMATION: All information needed can be obtained from our website. Townofnewton.org

MOVING PERMITS: A moving permit is required for all buildings being moved on roads within the Town of Newton. The moving permit can be obtained from the zoning administrator. The sheriff's department should also be notified about such move.

WRECKING PERMITS: Any building being torn down, removed or burned by the Newton Fire Department should obtain a wrecking permit from the zoning administrator. There is no charge for this permit. Obtaining this permit ensures that the building will be taken off of the tax roll.

ASSESSOR: Occasionally a town assessor may need to enter residents land to update information to establish fair assessment value for each property. No entry into a building or dwelling will ever be made without consent. However, entry onto lands including lands around buildings is assumed unless a written notice is provided to our assessor to keep off your land. If an assessor is not allowed access for viewing property, an owner cannot contest at the Board of Review the assessment level set by the assessor (Sec. 70.47(7)(aa) of Wis Stats.

DRIVEWAY AND CULVEERT ORDINANCE: The Town Board has passed a Driveway and Culvert Ordinance. All residents in the town must have a permit for installing new driveways, new culverts or extending, replacing, or repairing existing driveways or culverts. There is a \$50.00 fee for driveway or culvert permits. This permit may be obtained from the

Road Superintendent, Dave Mueller, at the town shop. If you cannot get in touch with hi leave a message on the answering machine at the shop. The telephone number is (920)758-2338.

BURNING ORDINANCE: The Town of Newton has a Burning Ordinance. Violation of this ordinance can and will result in a fine. If found in violation, the first offense is a \$25.00 fine plus court costs; the second offense is a \$50.00 fine plus court costs; the third offense is a \$100.00 fine plus court costs; and the fourth offense is a \$200.00 fine plus court costs. Copies of the ordinance are available at the Recycling Center and the Newton Town Shop. Burning Permits are required for all fires unless made in a barrel, trash can or other enclosed burner that has a heavy screen or cover to prevent burning material or embers from blowing out. Burning permits are available at Stock MFG., Highway 42 Garage, Pine River Dairy, Recycling Center, Tom Hochkammer, Fire Chief; Nick Smith, First Assistant Fire Chief; Dan Stock, Second Assistant Chief or Dave Mueller, Road Supervisor at the Town Shop.

RECYCLING CENTER: Recycling guideline information is available at the Recycling Center. Due to Wisconsin State Law, several items previously accepted must now be refused. A comprehensive list is available at the Recycling Center with referrals for appropriate disposal. The attendant in charge has complete charge of the Recycling Center and the right to refuse any material not in compliance with Town, County and State recycling rules and regulations. Paper and cardboard do not have to be separated. Paper, books, and magazines must be bundled and bagged. Shredded paper must be enclosed in tied plastic bags or taped boxes. Boxes must be flattened unless filled with paper or cardboard. The blue container at the Recycling Center is not for garbage. It is clearly marked "Copper Only". When you are done emptying your glass or tin cans into the appropriate bins, then please bring the paper or plastic bag that contained those articles to the compactor for disposal. No bags or string allowed in plastic containers. Please clean your glass, plastic, and cans. Besides being one of the requirements for using the Newton Recycling Center, this will also help cut down on the bee problem during the warmer months.

POSTING BOARD: Meetings are posted on the posting board outside of the Town Hall, Hi-Way 42 Garage, CR Stop as well as the Town of Newton website.

DEPOSIT BOX: There is a deposit box located on the East side of the entrance to the Town Hall for payment of your first real estate tax installment and dog vaccination papers by January 31st. This box is locked and is secure. The second installment should be sent to the County Treasurer.

FIREWORKS PERMIT: The Town of Newton does have a Fireworks Ordinance in effect. Any fireworks that exceed the limits as set by Wisconsin Statute 167.10 must get a permit which can be obtained from the Town Chairman at the June Board Meeting.

DOG LICENSES: All dogs must be licensed and have their rabies inoculation by April 1 or you will be notified by the Law Enforcement Officer. Non-Compliance will result in \$35.00

late fee per owner. Contact Paulette Vogt, Treasurer, Phone (920)758-2720 for a license.
Only authorized town officials are authorized to take animals to the Humane Society.

2023 marks the end of our 76th year of providing fire protection and prevention to the people and businesses of the Town of Newton. In 2023, the Newton Fire Department responded to 77 calls which were the following in nature:

28 Fires	8 Carbon Monoxide calls	4 False Alarm Calls
4 Service calls	13 Good intent calls	20 Assist the First Responders

Special Reminders:

1. You need to have a burning permit for any burning project not contained in a burning barrel or pit. Burning permits can be obtained from any of the fire chiefs, or during business hours at Hi-Way 42 Garage, Stock Manufacturing, Pine River Dairy, the Newton Town Shop, or the Newton Recycling Center.
2. If you have an emergency, dial 9-1-1---and tell them what your emergency is, the address of the emergency, and the phone number from which you are calling. If there is a possible fire, get out of the house right away.
3. It is your responsibility to keep your address sign clear of snow, brush, and weeds so that the address signs are easily readable and visible from the road. This allows us to quickly find you in an emergency.
4. Be sure to change the batteries in your smoke alarm and carbon monoxide alarms yearly.

Newton First Responders have been providing this community with pre-hospital care for 36 years. We strive to provide the best pre-hospital care to those people we help. Remember that anyone who needs pre-hospital care, emergency, or non-emergency in nature, can access the services of Newton First Responders; 24 hours a day, 365 days of the year; all at no cost to the patient. Behind the promise of good, quality care is our commitment to maintain the high standards we have set for our organization. The members of the Newton First Responders have committed 433 hours of time for meetings, drills and schooling, and 703 hours of time on calls, for total of 1136 hours this past year. Certified by the State of Wisconsin, the Newton First Responders provide the most up to date First Responder care and skills.

In 2023, the Newton First Responders responded to 128 calls. These calls included contact with 114 patients.

The Newton First Responders presently consists of 8 active members. 4 of these members are also members of the Newton Fire Department and 2 members are trained to Emergency Medical Technician (EMT) level or higher.

Applications are being accepted for additional members.

Any interested persons can contact Mark Knier at 920-901-3373 or Debbie Holschbach at 920-323-0497 or any responders listed below. Classes for First Responders are usually held several times in the year.

If you are interested, please contact us!

Please remember that when you have an emergency, dial **911** immediately. The First Responders will be dispatched along with an ambulance. Turn on an outside light or have someone wait at the end of the driveway to help us find you and help you.

The Manitowoc County Recycling Center will now accept loads of glass bottles and jars that are mixed colors. This change should benefit some municipal drop off sites that collect glass separately and transport it to our facility.

Previously, we only accepted glass bottles and jars sorted into clear, brown, and green/blue. This was done to keep expenses low and ensure the recycled glass was available for being made into more glass bottles. Thanks to changes at the facilities that process our glass, separation by color is no longer necessary.

Mixed glass only refers to glass bottles and jars, there is still concern about non-bottle glass as a contaminate. Most of the glass loads we receive are fairly clean and we appreciate the efforts made to keep it this way. Items like window glass, porcelain, Pyrex, mirrors, and ceramics can cause issues with the glass recycling process. While these items may “seem” like the same material as glass bottles, they are different, and should go in your trash.

Thank you,

Jon Reisenbuechler
